

NO WITNESSES TO NOTHING

GARRY RODGERS

Do you believe in ghosts?

Sergeant Sharlene Bate of I-HIT, Vancouver's Integrated Homicide Investigation Team, pries open Pandora's Box when two drug informers are brutally executed and a tragedy occurs where two young Mounties attempt to capture a madman terrorizing the Canadian Yukon wilderness.

No ordinary madman, the Tlingit people say. It's The Kushtaka. The Wildman-of-the-Woods. The mythical being who tricks you, kills you, and steals your soul. Sergeant Bate exhumes more of the Aboriginal legend:

After a gun-fight with the shapeshifter, the officers' souls are trapped in a twilight zone – the world in-between.

So begins a life and death quest for the truth of why the informants had to be murdered. From the treacherous Hells Angels conspiracy in the prisons of America and the jungles of Colombia – to the spiritual journey in a Shaman's sweatlodge, deep in the Australian Outback – is there a supernatural entity now hunting for Sharlene Bate's soul?

NO WITNESSES TO NOTHING is a supernatural crime thriller and is the first book in a planned trilogy.
